Membership form

Individual Members receive periodic newsletters and bulletins and may send up to 20 digital images via CD (format: 4x6inch, 300ppi resolution, saved as jpegs or preferably tiffs) for our Photo Image Libraries. Please do not email images. We need images of your artwork, of your shop or farm setting or products, or of you at work in your studio.

Professional Members receive periodic newsletters and bulletins, may send up to 20 digital images via CD (see above), and may send up to 200 copies of ONE printed piece (brochure, business card, postcard) for our Pocketboard, a trifold linen screen with pockets on display at our Center/Gallery. Professional Members' work is also considered for two-month solo exhibitions at Maine Fiberarts.

Supporters, Sustainers, Advocates and Patrons receive all benefits that Professional Members enjoy plus the knowledge that they are working to advance fiber art and agriculture. All may send up to 60 digital images and may keep a personal book of images at our Center/Gallery. We recommend Itoya-brand portfolio books that are 8.5x11" or 10x13" for photos, resume, studio shots, press clippings and artwork images which we show to visitors to our Center/Gallery.
